Vocational Rehabilitation Services & Ticket to Work
Role of Ticket for Vocational Rehabilitation Consumers

- Presumptive Eligibility for Social Security consumers

- Consumer and counselor develop an employment plan with Vocational Rehabilitation Services

- Ticket will be “in-use” with VR when employment plan is signed.
Ticket incentives while in Plan with VR

✓ Continuing Disability Reviews are exempted while consumer is making timely progress towards employment

✓ Referral is made to Community Work Incentives Coordinator (CWIC)
When Employment begins

- Consumer and counselor discuss the opportunity to have an Employment Network provide employment supports when VR services end.

- Consumer and counselor will decide on an Employment Network – such as community rehabilitation providers, one-stop agencies, employers, etc.

✓ Consumer may come back to VR for services if necessary. Ticket stays assigned to Employment Network.

Employment Network Presentations
If you are interested in the Ticket to Work program, Maximus can provide you with a list of Employment Networks or you can find a list online in the EN Directory at [www.yourtickettowork.com](http://www.yourtickettowork.com).

Call a few Employment Networks in your area to determine which one is a good fit for you.
When choosing an Employment Network:

✓ Ask them how successful they have been at assisting their clients in obtaining employment

✓ If they are a new EN with Ticket to Work, ask them about their prior experience in job services.

✓ Research their website
When you call the EN office:

- The EN should explain how the Ticket program works and the services it provides
- The EN should discuss your work goals and intentions about work
- Ideally, the EN should talk with you about any fears you may have
When you call the EN office:

- If you are committed to working and earning up to your potential and perhaps be willing to eventually terminate from cash benefits, an EN will probably meet with you in person.

- If you are not sure how much you can work, the Ticket to Work is designed so that you can take small steps, including starting at part time work. EN agencies understand it may take time to adjust to working and build up your stamina and balance your daily life routine.
Face to Face Appointment

☑ Your signature on the Individual Work Plan assigns your ticket to the EN agency.

☑ The EN may have some other routine forms for you to sign allowing it to work with you on your case with Social Security and possibly other service providers on your behalf.

☑ You can unassign your ticket at any time if you change your mind or decide the EN is not a good match.
Job Readiness

- Develop a resume and provide advice on how to fill out a good application

- Interview skills and tips on how to explain long absences from work without disclosing your disability
Job Placement Assistance

- Job leads and information on employers who are hiring, job fairs, recruiting events, etc.
- Access to resource centers -- computers, internet, email, phones, and fax.
- Some ENs may conduct job development on your behalf.
After you start work:

- You will be expected to provide paystubs to the EN every month until you go off of cash benefits.
- The EN should report these earnings to SSA for you as well as your progress to the Ticket to Work program.
- Maintain a proactive follow up schedule with the EN.
